

## PRODUCT INFORMATION SHEET

**Product Name: EURO SPECIAL CK-4**

### PRODUCT

Bimrose Euro Special CK-4 is a low ash superior performance multigrade engine oil designed to meet and exceed the latest European and American Petroleum Institute (API) specifications. It is for use in modern four stroke diesel engines, including those fitted with emission and electronic control systems to meet the latest emission standards and particularly for long haul extended drain cycle operations. Euro Special CK-4 is a unique formulation combining the latest in diesel technology additive packages to provide superior anti-wear, anti-corrosion, anti-oxidant protection and exceptional soot control. This latest technology formulation is backward compatible with the previous API versions and is an ideal mixed fleet product .

Viscosity (Typical)	14.5 cSt @ 100°C 110 cSt @ 40°C
Viscosity Index	135
TBN	6.5 mg KOH/g
Sulphated Ash	0.98 mass/wt-%

### APPLICATION

Euro Special CK-4 is recommended for all four stroke US built diesel engines as well as many of the latest European and Japanese heavy-duty diesel engines. It will give extended oil drain periods up to 40,000 km in single trailer operations or 25% above standard drain periods in more arduous applications. Regular oil analysis will maximise your drain periods as well as provide you with information to minimise the cost to your operation.

### STANDARDS

#### Approvals:

Cummins: CES 20086	API: CK-4, CJ-4, CI-4, CI-4 Plus	
Mack EO-S 4.5,	Volvo VDS-4.5,	
Caterpillar: ECF-3	Detroit: DFS 93K222	Renault Truck RLD-4

#### Meets or exceeds the following:

SAE Grade: 15W40		
Cummins: CES 20081	Mack EO-O Premium Plus	Volvo VDS-4
Ford WSS-M2C171-F1	MTU Type 2.1	Detroit: DFS 93K218
ACEA E9-16 (2016), E7-16	Renault Truck RLD-3	JASO DH2
MB 228.31	Deutz DQC III-10 LA	MAN 3575

### CONTAINER SIZES

Bulk, 205 Litres, 60 Litres, 20 Litres, 5 Litres, 1 Litre.
